ajna

About

"The vision is all about crafting unique living perfected by timeless experiences."

Founded in 2019, Ajna Developments is a boutique real estate development company founded on the vision and expertise of its shareholders. Ajna investors come with long term experience in the field of real estate, from design to development, with a combined portfolio of 25 residential projects representing 8000 units on 1 million m² of land with a combined total investment of 25 Billion EGP in the Middle East.

The name of Ajna reflects the vision of the company and defines the detailed approach to

all aspects of the company's development beginning with concept layout to branding.

With a focus on creating lasting value for tenants, owners and guests through the thoughtful execution of strategies which develop the fullest potential of every property.

Ajna invests in areas which are well positioned for sustainable growth by stable economic drivers, cultural appeal and attractive lifestyle options. Employing a longterm investment philosophy, they aim to mitigate the risk

of ajna market volatility while generating consistently strong returns.

Ajna's mission is to introduce an innovative criterion that would set the benchmark for integrated living; one in which a home, its experience and overall value exceeds expectations.

Ajna aims at redefining the conventional idea of spaces by creating places to keep.

CARNELIA
